Todd,

I have no preference. Whatever you recommend for S&E control.  
I will be working on DWOs later today. Right now, I'm preparing for a presentation this afternoon

Thank you  
Chris

Chris,

Hydroseeding is scheduled for 10/19 & 10/20. Weather looks good. [redacted] can you schedule delivery of track skid steer for Tuesday 10/19 first thing in the morning. We will also need 4 loads of stone for Tuesday as well. Chris, we had used crush n run on the Reagan driveway and then topped it off with 57 stone which is a clean stone. Do you want to use only 57 stone?
